

491—12.3(99F) Facility internal controls.

12.3(1) Each facility shall submit a description of internal controls to the commission. The submission shall be made at least 90 days before gaming operations are to commence unless otherwise directed by the administrator. The submission shall include and provide for the following:

a. Administrative control that includes, but is not limited to, the plan of organization and the procedures and records that are concerned with the decision processes leading to management's levels of authorization of transactions.

b. Accounting control that includes the plan of organization and the procedures and records that are concerned with the safeguarding of assets and the reliability of financial records. The accounting control shall be designed to provide reasonable assurance that:

(1) Transactions are executed in accordance with management's general and specific authorization, which shall be consistent with the requirements of this chapter.

(2) Transactions are recorded as necessary to permit preparation of financial statements in conformity with generally accepted accounting principles and to maintain accountability for assets.

(3) Access to assets is permitted only in accordance with management authorization, which shall be consistent with requirements of this chapter.

(4) The recorded accountability for assets is compared with existing assets at reasonable intervals and appropriate action is taken with respect to any differences.

c. Competent personnel with integrity and an understanding of prescribed internal controls.

d. The segregation of incompatible functions so that no employee is in a position to perpetrate and conceal errors or irregularities in the normal course of the employee's duties.

12.3(2) A commission representative shall review each submission required by subrule 12.3(1) and determine whether it conforms to the requirements of Iowa Code chapter 99F and is consistent with the intent of this chapter and whether the internal controls submitted provide adequate and effective control for the operations of the facility. If the commission representative finds any insufficiencies, the insufficiencies shall be specified in writing to the facility, which shall make appropriate alterations. No facility shall commence gaming operations unless and until the internal controls are approved.

12.3(3) Each facility shall submit to the commission any changes to the internal controls previously approved at least 15 days before the changes are to become effective unless otherwise directed by a commission representative. The proposed changes shall be submitted to the commission and the changes may be approved or disapproved by the commission representative. No facility shall alter its internal controls until the changes are approved.

12.3(4) It shall be the affirmative responsibility and continuing duty of each occupational licensee to follow and comply with all internal controls.
