

491—12.5(99F) Gaming table container. Each gaming table in a casino shall have attached to it a container.

12.5(1) Each container shall have:

- a.* A lock securing the contents of the container, the key to which shall be checked out by the drop team.
- b.* A separate lock securing the container to the gaming table, the key to which shall be different from each of the keys to locks securing the contents of the container.
- c.* A slot opening through which currency, forms, records, and documents can be inserted.
- d.* A mechanical device that will close and lock the slot opening upon removal of the container from the gaming table.

12.5(2) Keys referred to in this rule shall be maintained and controlled by the security department in a secured area. The facility shall establish a sign-out procedure for all keys removed from the secured area.
