180.9(1) Except as provided in subrule 180.9(3), the governmental entity shall award the contract for the work to the contractor submitting the lowest responsive, responsible quotation, subject to Iowa Code section 26.9, or the governmental entity may reject all of the quotations. A contract shall be considered awarded when the governmental entity unconditionally accepts and approves the lowest responsive, responsible quotation. The governing body of the governmental entity shall record the approved quotation in its meeting minutes.

180.9(2) The governing body of a governmental entity may delegate the authority to award and execute contracts, or to award contracts and authorize the work to proceed, to an officer or employee of the governmental entity, provided that an award approved outside a meeting of the governing body shall be reported in the meeting minutes of the next regular meeting of the governing body.

180.9(3) If no quotations are received from contractors to perform the work or if the governmental entity's estimated cost to do the work with its employees, as reflected in its quotation, is less than the lowest responsive, responsible quotation received from a contractor, the governmental entity may authorize its employees to perform the work.

180.9(4) Upon the submission of the required performance and payment bond by the contractor to which the contract has been awarded and upon approval of the bond by the governmental entity, the governmental entity shall execute a contract to perform the work or shall authorize the contractor to proceed with the work.

180.9(5) Upon execution of the contract by the contractor and the governmental entity or upon authorization to proceed by the governmental entity and acknowledgment thereof by the contractor, the governmental entity shall release the quotation bonds or other quotation security submitted with the quotations received.

180.9(6) If the governmental entity is a city and the cost of the work will exceed the amount provided for in Iowa Code section 380.4, the governing body is required to pass a resolution approving the expenditure.
