

**641—44.6(136B) Radon mitigation credentialing fees.** Any person wishing to become credentialed as a radon mitigation specialist shall pay nonrefundable fees in amounts sufficient to defray the cost of administering the rules of this chapter, as outlined in the fee schedule below.

**44.6(1) Initial application fee.** Each person applying for initial credentialing under the provisions of this chapter shall pay a nonrefundable \$25 application fee.

**44.6(2) Annual credentialing fee.**

- a. Each person applying for credentialing must pay a nonrefundable initial fee of \$150.
- b. Each person applying for annual renewal must pay an annual fee of \$150 or a surcharge fee of \$40 per mitigation system installed for systems costing more than \$200, whichever amount is greater.
- c. For fee calculation purposes, one mitigation system installation is considered to be the installation of an interconnected system that contains one or more fans installed on a single riser, one or more suction points, and one or more exhausts. For systems with single or multiple fans installed on separate risers and installed in separate locations, each riser constitutes a separate installation.
- d. If a person elects not to renew a credential the subsequent year, all outstanding surcharge fees shall be paid in full within 30 days following the credential's expiration date.

**44.6(3) Returned check and reinstatement fees.** Persons who fail to pay required fees to the department are subject to the following penalties:

- a. \$40 fee for each payment received by the department in accordance with these rules, for which insufficient funds are available to fulfill the obligation of such payment to the department.
- b. \$100 reinstatement fee when a certification has not been renewed within 30 days following the expiration date. This fee is added to the unpaid annual credentialing fee.
