

441—47.24(239B) Assistance available in family self-sufficiency grants. Family self-sufficiency grants will be authorized for removing an identified barrier to self-sufficiency when it can be reasonably anticipated that the assistance will enable PROMISE JOBS participant families to obtain or retain employment in the two full calendar months following the date of authorization of payment. For example, if a payment is authorized on August 20, it should be anticipated that the participant can find employment in September or October.

47.24(1) *Employment does not occur.* If employment does not occur in the anticipated two-calendar-month period or if the participant loses employment in spite of the self-sufficiency grant, no penalty is incurred and no overpayment has occurred.

47.24(2) *Types of assistance.* The department, in conjunction with IWD, will determine those barriers to self-sufficiency that can be considered for family self-sufficiency grants such as but not limited to auto maintenance or repair, licensing fees, child care, and referral to other resources, including those necessary to address questions of domestic violence. The IWD service delivery areas will have the opportunity to adjust the list of approvable barriers to self-sufficiency based on local resources and circumstances. These adjustments will be approved by the department and the appropriate responsible administrator prior to implementation.

47.24(3) *Limit on assistance.* The total payment limit per FIA-responsible person is \$1,000 per year. A year for a family will be the 12 fiscal months following the date of authorization of the initial payment for the family. A fiscal month begins and ends in different calendar months.

47.24(4) *Frequency of assistance.* Family self-sufficiency grants are intended to provide immediate and short-term assistance and must meet the criteria in this rule. While a family may be a candidate more than once and may receive payments in consecutive months in some circumstances, payments will not be established as regular or ongoing.

47.24(5) *Supplanting.* Family self-sufficiency grants will not be used for services already available through the department, PROMISE JOBS, or other local resources at no cost.

47.24(6) *Relationship to the family investment agreement.* Family self-sufficiency grants are separate from the PROMISE JOBS family investment agreement process. While the family investment agreement must be honored at all times and renegotiated and amended if family circumstances require it, no family will be considered to be choosing the limited benefit plan if the family chooses not to participate in the family self-sufficiency grant program.

47.24(7) *Issuing payments.* Family self-sufficiency grants are PROMISE JOBS benefits and will be authorized through the PROMISE JOBS expense allowance system. Payments may be issued to the participants or to a vendor for support services provided to the family. The department in conjunction with the appropriate responsible administrator will have discretion in determining method of payment. The IWD service delivery area will have the opportunity to adjust these payment options in an individual case based on circumstances and needs of the family with the approval of the department and the appropriate responsible administrator prior to implementation.
