

**571—105.4(481A) Urban deer management zones.**

**105.4(1)** *Special restrictions.* Cities, deer task forces, or other public entities may require hunters to do one or more of the following: pass a hunter safety and education course, pass a weapons proficiency test, or be approved by the appropriate police department or conservation officer.

**105.4(2)** *Other methods.* The natural resource commission in cooperation with the city government may approve other methods of deer removal in urban areas.
