

571—37.20(462A) Incorrect registration. When information contained on the registration certificate of a vessel is found to be incorrect regarding vessel length, vessel width, or passenger capacity, officers appointed by the department may, upon inspection of the vessel, or the county recorder, upon presentation of adequate documentation, including but not limited to an affidavit by the owner, may change the information on the certificate. The officer shall within four days notify the department and the county recorder of the county in which the vessel is registered of the changes.
