

571—67.8(456A,461A) Use of designated trails.

67.8(1) Bicyclists, equestrians and snowmobile operators shall use only trails officially designated and properly signed for such uses.

67.8(2) Unless otherwise prohibited by law, the use of motorized all-terrain vehicles shall be limited to roadways on all areas except as necessary to carry on authorized activities such as area management, agricultural activity, search and rescue operations and special events authorized by the department.
