

**761—115.23(306A) Notice of work.**

**115.23(1)** *Notice of receipt of permits and approvals.* The utility owner shall notify the department within 14 calendar days after the utility owner has received all required permits and approvals from government agencies and railroad companies.

**115.23(2)** *Notice to utility owner to begin work.*

*a.* The department shall send a notice to proceed to the utility owner when necessary approvals are received, permits are issued, and rights-of-way have been acquired for the relocation work.

*b.* If the utility owner's work plan is dependent upon work by the department's contractor, the department's contractor is to provide the department and the utility owner a good faith notice 14 calendar days before the department's contractor's work is expected to be complete and ready for the utility owner to begin its work. The department's contractor should follow up with a confirmation notice to the department and the utility owner not less than three working days before the department's contractor's work will be complete and ready for the utility owner to begin its work.

**115.23(3)** *Notice to department of commencement and completion of work.* The utility owner is to give the department 48 hours' prior notice, excluding weekends and holidays, of the utility owner's intent to start utility adjustment work within the vicinity of a proposed primary road project. The utility owner is to also notify the department immediately upon completion of the work.
