

**761—400.36(307,321) Termination of suspension of registration.** Upon termination of the suspension of registration of a vehicle, the county treasurer may issue new plates for the vehicle. If the new plates replace a current series of plates, there shall be a replacement fee as provided in Iowa Code section 321.42. If the vehicle is not currently registered at the time the suspension is lifted, the registration fee and penalties due shall be determined as follows:

**400.36(1)** If the registration fee was delinquent at the time that the suspension became effective, the penalty shall continue to accrue on the registration fee until the suspension became lifted and the registration fee is paid. In addition, if the suspension was for failure to pay an additional registration fee, the additional registration fee shall be paid before the suspension is lifted.

**400.36(2)** If the registration fee was not delinquent when the suspension became effective and the suspension is lifted after the beginning of another registration year, the annual registration fee for that year shall be due in the month the suspension is lifted. The penalty shall accrue on the registration fee the first day of the month following the month that the suspension was lifted. The annual registration fee on a recovered stolen vehicle for which the registration has been suspended shall be prorated for the remaining unexpired months of the registration year.

**400.36(3)** If the registration fee was not delinquent at the time that the suspension became effective and the suspension is lifted during the same registration period, no additional registration fees shall be due unless the suspension was for failure to pay an additional registration fee, in which event the additional registration fee shall be paid before the suspension is lifted.

This rule is intended to implement Iowa Code sections 307.12(1)“j,” 321.42, 321.105 and 321.134.
