

**871—51.3(84A,84B) Regional advisory boards.** The regional advisory board in each region initiates the formation of the coordinating service provider by convening a meeting of all workforce development service providers and other interested parties. Each regional advisory board conducts a regional needs assessment and analysis plan, which the coordinating service provider shall utilize in designing its annual service delivery plan. The regional advisory board approves the 28E agreement that creates the coordinating service provider and the regional customer service plan before they are submitted to the state workforce development board for final approval. The regional advisory board also provides oversight and guidance to the coordinating service provider on service delivery and the performance of the regional system.
