

871—57.6(84A) Allowable costs and limitations.

57.6(1) *Allowable training activities and support services.* The allowable training activities and support services under this program will be determined by the regional advisory board and published in the request for proposal.

57.6(2) *Cost categories.* Allowable costs must be consistently charged against the two cost categories of administration and participant support/training.

57.6(3) *Cost limitations.* Costs of administration must not exceed 20 percent of the budget for any project in its first year of funding and must not exceed 15 percent of the budget for any subsequent years that a project is funded.
