

871—63.7(260F) Funding for high technology apprenticeship programs.

63.7(1) A community college high technology apprenticeship program as defined in 871—63.3(260F) may be funded at the discretion of each specific community college at an amount up to, but not exceeding, the specific community college's apprenticeship distribution for the year.

63.7(2) Authority-sponsored high technology apprenticeship programs as defined in 871—63.3(260F) are not subject to a funding maximum.
