

871—64.12(15,76GA,ch1180) Training materials and equipment. Training materials and equipment that are needed to carry out the deliverables described within a project may be purchased by the grantee, unless specified otherwise in the program-specific requirements of these rules. For the purposes of this chapter, equipment means property with a purchase price of \$1,000 or more and an anticipated useful life in excess of one year. Equipment purchased with workforce development funds shall not be used by any entity for the purposes of generating a profit to the entity, unless the equipment purchase was prorated based upon anticipated usage between grant or forgivable loan funds and cash provided by the purchasing entity. Equipment with any remaining useful life may be disposed of at fair market value, with any funds realized from that sale being repaid to the department either in whole or on a prorated basis. Equipment that no longer has a useful life or that has no remaining value may be disposed of by the grantee with the permission of IWD.
