

567—10.21(455B) Options to respond. Upon receiving an LOI, LNC, or NOV, a regulated entity has the option to respond to the department, even if a response is not specifically requested. In responding to an LNC or NOV, the regulated entity should clearly outline any disagreements with the LNC or NOV, provide any pertinent additional information, describe any current or planned corrective action, and provide a schedule for returning to compliance. The department will review written information submitted in response to the compliance and enforcement procedures described in this part and will include this information in the file of record. Nothing in this chapter adds to or takes away from the appeal rights provided in Iowa Code chapter 17A.
