

191—39.27(514G) Reporting requirements.

39.27(1) Every insurer shall maintain for each agent records of that agent's amount of replacement sales as a percent of the agent's total annual sales and the amount of lapses of long-term care insurance policies sold by the agent as a percent of the agent's total annual sales.

39.27(2) Every insurer shall report annually by June 30 the 10 percent of its agents with the greatest percentages of lapses and replacements as measured by subrule 39.27(1) in the format prescribed in Appendix G.

39.27(3) Reported replacement and lapse rates do not alone constitute a violation of insurance laws or necessarily imply wrongdoing. The reports are for the purpose of reviewing more closely agent activities regarding the sale of long-term care insurance.

39.27(4) Every insurer shall report annually by June 30 the number of lapsed policies as a percent of its total annual sales and as a percent of its total number of policies in force as of the end of the preceding calendar year in the format prescribed in Appendix G.

39.27(5) Every insurer shall report annually by June 30 the number of replacement policies sold as a percent of its total annual sales and as a percent of its total number of policies in force as of the preceding calendar year in the format prescribed in Appendix G.

39.27(6) Every insurer shall report annually by June 30, for qualified long-term care insurance contracts, the number of claims denied for each class of business, expressed as a percentage of claims denied in the format prescribed in Appendix E.

39.27(7) For purposes of rule 191—39.27(514G):

- a.* "Policy" means only long-term care insurance;
- b.* Subject to paragraph "*c*" below, "claim" means a request for payment of benefits under an in-force policy regardless of whether the benefit claimed is covered under the policy or any terms or conditions of the policy have been met;
- c.* "Denied" means the insurer refuses to pay a claim for any reason other than for claims not paid for failure to meet the waiting period or because of an applicable preexisting condition; and
- d.* "Report" means on a statewide basis.

39.27(8) Reports required under this rule shall be filed with the commissioner. The first reports under this rule are due June 30, 2004.
