

701—52.14(15E) Enterprise zone tax credits. For tax years ending after July 1, 1997, for programs approved after July 1, 1997, a business which qualifies under the enterprise zone program is eligible to receive tax credits. An eligible business under the enterprise zone program must be approved by the Iowa department of economic development and meet the requirements of Iowa Code section 15E.193. The administrative rules for the enterprise zone program for the Iowa department of economic development may be found at 261—Chapter 59.

52.14(1) Supplemental new jobs credit from withholding. An eligible business approved under the enterprise zone program is allowed the supplemental new jobs credit from withholding as provided in 701—subrule 46.9(1).

52.14(2) Investment tax credit. An eligible business approved under the enterprise zone program is allowed an investment tax credit of up to 10 percent of the new investment which is directly related to new jobs created by the location or expansion of the eligible business.

The provisions under the new jobs and income program for the investment tax credit described in rule 701—52.10(15) are applicable to the enterprise zone program with the following exceptions:

a. The corporate tax credit for certain sales taxes paid by a developer described in subrule 52.10(5) does not apply for the enterprise zone program.

b. For projects approved on or after July 1, 2005, under the enterprise zone program, the investment tax credit will be amortized over a five-year period, as described in subrule 52.28(2).

c. For tax years ending on or after July 1, 2005, an eligible business approved under the enterprise zone program whose project primarily involves biotechnology-related processes may elect to receive a refund for all or a portion of an unused investment credit as described in subrule 52.10(4).

52.14(3) Research activities credit. An eligible business approved under the enterprise zone program is eligible for an additional research activities credit as described in subrule 52.7(5).

For tax years ending on or after July 1, 2005, for eligible businesses approved under the enterprise zone program, research activities allowable for the Iowa research activities credit include expenses related to the development and deployment of innovative renewable energy generation components manufactured or assembled in Iowa; such expenses related to the development and deployment of innovative renewable energy generation components are not eligible for the federal credit for increasing research activities. For purposes of this subrule, innovative renewable energy generation components do not include components with more than 200 megawatts in installed effective nameplate capacity. The research activities credit related to renewable energy generation components under the enterprise zone program and the high quality job creation program described in subrule 52.28(1) shall not exceed \$1 million in the aggregate.

These expenses related to the development and deployment of innovative renewable energy generation components are applicable only to the additional research activities credit set forth in subrule 52.7(5) for businesses in enterprise zones and the additional research activities credit set forth in subrule 52.28(1) for businesses approved under the high quality job creation program, and are not applicable to the research activities credit set forth in subrule 52.7(3).

52.14(4) Repayment of incentives. Effective July 1, 2003, eligible businesses in an enterprise zone may be required to repay all or a portion of the tax incentives received on Iowa returns if the eligible business experiences a layoff of employees in Iowa or closes any of its facilities in Iowa.

This rule is intended to implement Iowa Code section 15E.193 and Supplement section 15E.196.
