The sponsor cannot be held responsible for a tax liability incurred on building materials, supplies and equipment by a general contractor or subcontractor in the completion of a construction contract. Likewise, a general contractor cannot be held responsible for the tax liability incurred on building materials, supplies and equipment by a subcontractor in the completion of a construction contract. The tax responsibility regarding machinery and equipment contracts depends on where the sale was consummated. If the sale was consummated in Iowa, the seller is responsible for the collection and remittance of tax unless a valid exemption certificate is given by the purchaser. If the sale was consummated outside Iowa and the seller does not remit use tax to the department, then a use tax would be due from the Iowa user.
