

191—40.19(514B) Producers' duties. In order to qualify for solicitation, enrollment, or delivery of a certificate of membership or policy in a health maintenance organization, a producer must comply with the licensing rules set forth in 191—Chapter 10 of the Iowa Administrative Code and in particular submit to an examination to determine the applicant's competence to sell accident and health insurance as described in rule 191—10.7(522), classification 6.
