

441—123.2(135) Letter of intent.

123.2(1) Before applying for a certificate of need, the sponsor of a proposed new institutional health service or changed institutional health service will electronically submit a letter of intent meeting the criteria noted in Iowa Code section 135.64(1).

123.2(2) The department will make available on the certificate of need website all criteria and standards pertinent to an application.

123.2(3) A letter of intent received by the department is valid for a period of one year from the date of receipt by the department. The sponsor may renew the validity of a letter of intent by providing written notification to the department prior to the one-year expiration date.
