

441—74.11(249A) Financial participation.

74.11(1) Copayment. Payment for nonemergency use of a hospital emergency department shall be subject to an \$8 copayment by the member, which will be subtracted from the IHAWP payment otherwise due to the provider.

74.11(2) Monthly contributions. Members enrolled in the IHAWP with household income at or above 50 percent of the FPL are required to pay monthly contributions pursuant to this rule.

a. Monthly contribution amount. The monthly contribution amount for each member is based on the countable income of the member's household, determined pursuant to 441—Chapter 75, as a percentage of the FPL for the household. Monthly contribution amounts are as follows:

- (1) For a member with household income between 50 and 100 percent of the FPL, \$5;
- (2) For a member with household income above 100 percent of the FPL, \$10.

b. Waiver during the first year of enrollment. The monthly contribution will be waived during the member's first 12 months of continuous enrollment.

c. Monthly contribution exemptions. A member shall be exempt from monthly contribution payments when any of the following circumstances apply:

(1) The member completed healthy behaviors pursuant to subrule 74.11(4) in the previous enrollment period.

(2) The member is determined by the department to be a medically exempt individual pursuant to subrule 74.12(2).

(3) The member has access to cost-effective, employer-sponsored coverage and is enrolled in the health insurance premium payment program pursuant to 441—Chapter 75.

(4) The member is exempt from premiums pursuant to 42 CFR 447.56(a)(1)(x) as amended to July 1, 2026, as an Indian who is eligible to receive or has received an item or service furnished by an Indian health care provider or through referral under contract health services.

(5) The member claims a hardship exemption indicating that payment of the monthly contribution will be a financial hardship. The member may claim a hardship exemption by telephoning Iowa Medicaid member services, by checking the hardship box on the billing statement (for the month of the billing statement), or by submitting a written statement to the address designated by the department. The member's hardship exemption must be received or postmarked within five working days after the monthly contribution due date. If the hardship exemption request is not made in a timely manner, the exemption shall not be granted. Members must complete the process in every month for which they wish to claim financial hardship. There is no limit to the number of hardship exemptions for which a member may apply.

d. Billing and payment. An Iowa Medicaid billing statement form will be used for billing and collection of the monthly contribution.

(1) Method of payment. Members shall submit contribution payments to the address specified by the department. Members can also submit contributions through the department's website.

(2) Due date. When the department notifies a member of the amount of the monthly contribution, the member shall pay any monthly contributions due in accordance with the following:

1. The monthly contribution is due on the fifteenth day of the month in which the statement is received.

2. If the fifteenth day of the month falls on a weekend or state or federal holiday, payment is due on the first working day following the weekend or holiday.

3. Monthly contribution payments must be received or postmarked by the due date.

(3) Application of payment. The department will apply monthly contribution payments received to the oldest unpaid month in the current enrollment period. When monthly contributions for all months in the enrollment period have been paid, the department will hold any excess and apply it to any months for which eligibility is subsequently established.

e. Failure to pay monthly contributions.

(1) An IHAWP member with household income between 50 and 100 percent of the FPL who fails to pay the assessed monthly contribution and who does not qualify for a monthly contribution exemption pursuant to subrule 74.11(2) shall owe the monthly contribution to the department as an unpaid premium

subject to recovery in accordance with 441—Chapter 75. A member shall have no less than 90 days from the due date to pay any unpaid monthly contribution before the unpaid amount shall be subject to recovery.

(2) An IHAWP member with household income above 100 percent of the FPL who fails to pay the assessed monthly contribution and who does not qualify for a monthly contribution exemption pursuant to subrule 74.11(2) will have the member's eligibility terminated. In addition, the member shall owe the monthly contribution to the department as an unpaid premium subject to recovery in accordance with 441—Chapter 75. A member shall have no less than 90 days from the due date to pay any unpaid monthly contribution before the unpaid amount shall be subject to recovery.

1. A member shall have no less than 90 days from the due date to pay any unpaid monthly contribution before eligibility will be terminated or the unpaid amount will be subject to recovery.

2. A member whose eligibility is terminated due to nonpayment of monthly contributions may reenroll for Medicaid benefits pursuant to 441—Chapter 76.

3. Unpaid premiums will not be considered a collectible debt by the state if, at the member's next annual renewal date, the member does not apply for renewed eligibility, and the member has no claims for services delivered after the month of the last premium payment.

f. Refund of monthly contributions.

(1) Monthly contributions paid may be refunded if the member qualified for a monthly contribution exemption pursuant to paragraph 74.11(2) "c" or when a member's IHAWP coverage is terminated for the following reasons:

1. The member is no longer eligible for coverage in IHAWP; or

2. The member dies.

(2) The amount of any refund will be offset by any outstanding monthly contributions owed.

(3) The refund will be paid within two calendar months from the date of termination from the program.

74.11(3) Aggregate annual limits on copayments and monthly contributions. The total aggregate annual amount of copayments and monthly contributions for an individual will not exceed 5 percent of the household's countable annual income determined pursuant to 441—Chapter 75.

74.11(4) Healthy behaviors. An IHAWP member who completes a wellness examination and health risk assessment during any enrollment year will have monthly contributions waived in the subsequent enrollment year.

a. Under healthy behaviors, a wellness examination may be related to either physical health or oral health. Physical examinations must be performed by a medical provider and must assess a member's overall physical health consistent with standard clinical guidelines for preventive physical examinations and as defined by the department. Oral examinations must be performed by a dental provider consistent with standard oral health guidelines for preventive dental examinations and as outlined in 441—Chapter 73.

b. A health risk assessment is an assessment offered by a managed care plan through which the member is receiving IHAWP benefits.
