

**441—79.14(249A) Requirements for enrolled Medicaid providers supplying laboratory services.** Medicaid-enrolled entities providing laboratory services are subject to the provisions of the Clinical Laboratory Improvement Amendments of 1988 (CLIA) and Public Law 100-578, both as amended to July 1, 2026, and implementing federal regulations published at 42 CFR Part 493 as amended to July 1, 2026. Medicaid payment will not be afforded for services provided by an enrolled Medicaid provider supplying laboratory services that fails to meet these requirements. For the purposes of this rule, laboratory services are defined as services to examine human specimens for the diagnosis, prevention or treatment of any disease or impairment of, or assessment of, the health of human beings.
