

441—83.104(249A) Client participation. Members who are financially eligible under 441—paragraph 75.6(4)“b” (the 300 percent group) must contribute a client participation amount to the cost of physical disability waiver services.

83.104(1) Computation of client participation. Client participation will be computed by deducting a maintenance needs allowance equal to 300 percent of the maximum supplemental security income (SSI) grant for an individual from the member’s total income. For a couple, client participation is determined as if each person were an individual.

83.104(2) Limitation on payment. If the sum of the third-party payment and client participation equals or exceeds the reimbursement for the specific physical disability waiver service, Medicaid will make no payments for the waiver service. However, Medicaid will make payments to other medical providers.
