A renewal request must be received annually no earlier than two months before, and no later than six months after, each subsequent birthday.

(2) The member's waiver budget will be increased by the average monthly cost of state plan private duty nursing or personal care services for the member that was billed to and paid by Iowa Medicaid or an Iowa Medicaid-contracted MCO during the year in which the member is 20 years of age.

(3) Once the request is received by the department, the department will determine the average monthly cost pursuant to the claims data available at the time of the request. No subsequent claims data shall be considered.

(4) The revised waiver budget reflecting the average cost of state plan private duty nursing or personal care services will become effective on the later of the first day of the month of the member's twenty-first birthday or the first day of the month of the completed review.
