

441—83.45(249A) Redetermination. A complete redetermination of eligibility for AIDS/HIV waiver services will be completed at least once every 12 months or when there is significant change in the person's situation or condition. A redetermination of continuing eligibility factors will be made in accordance with rules 441—76.17(249A) and 441—83.42(249A). A redetermination will include the components listed in rule 441—83.47(249A).

83.45(1) The department or the member's MCO will be responsible for annual redetermination of the level of care.

83.45(2) The MCO must submit documentation to the department for all reassessments, performed at least annually, that indicate a change in the member's level of care. The department will make a final determination for any reassessments that indicate a change in the level of care. If the level of care reassessment indicates no change in level of care, the member is approved to continue at the already established level of care.
