441—83.82(249A) Eligibility. To be eligible for brain injury waiver services a member must meet eligibility criteria and be determined to need a service allowable under the program.

83.82(1) *Eligibility criteria.* All of the following criteria must be met. The person must:

a. Have a diagnosis of brain injury.

b. Be eligible for Medicaid under supplemental security income (SSI), SSI-related, FMAP, or FMAP-related coverage groups or be eligible under the special income level (300 percent) coverage group consistent with a level of care in a medical institution.

c. Be at least one month of age.

d. Be a U.S. citizen and Iowa resident.

e. Reserved.

f. Be determined by the department as in need of intermediate care facility for persons with an intellectual disability (ICF/ID), skilled nursing, or ICF level of care based on information submitted on a completed information submission tool for children aged 3 and under, the interRAI - Pediatric Home Care (PEDS-HC) for those aged 4 to 20, or the interRAI - Home Care (HC) for those aged 21 and over, the most recent version of the Mayo-Portland Adaptability Inventory (MPAI), and other supporting documentation as relevant. The information submission tool, the interRAI - PEDS-HC, and the interRAI - HC and the MPAI are available on request from the member's MCO or the department. Copies of the completed information submission tool for an individual are available to that individual from the individual's case manager or MCO.

g. Be assessed by the department as able to live in a home- or community-based setting where all medically necessary service needs can be met within the scope of this waiver.

h. At a minimum, receive a waiver service each quarter in addition to case management.

i. Choose HCBS.

j. To be eligible for interim medical monitoring and treatment services the member must be:

(1) Under the age of 21;

(2) Currently receiving home health agency services under rule 441—78.9(249A) and require medical assessment, medical monitoring, and regular medical intervention or intervention in a medical emergency during those services. (The home health aide services for which the member is eligible must be maximized before the member accesses interim medical monitoring and treatment.);

(3) Residing in the member's family home or foster family home; and

(4) In need of interim medical monitoring and treatment as ordered by a physician, nurse practitioner, clinical nurse specialist, or physician associate.

k. Receive services in a community, not an institutional, setting.

l. Be assigned a state payment slot within the yearly total approved by the Centers for Medicare and Medicaid Services.

m. For the consumer choices option as set forth in 441—subrule 78.43(15), not be living in a residential care facility.

n. For individual supported employment and long-term job coaching services:

(1) Be at least 16 years of age.

(2) The services must not be available to the member through one of the following:

1. Special education and related services as defined in the Individuals with Disabilities Education Act (20 U.S.C. 1401 et seq.) as amended to July 1, 2026; or

2. A program funded under Section 110 of the Rehabilitation Act of 1973 (29 U.S.C. 730) as amended to July 1, 2026.

(3) Not reside in a medical institution.

(4) Have documented in the waiver service plan a goal to achieve or to sustain individual employment and an expectation that this service will result in this outcome.

o. For small-group supported employment services:

(1) Be at least 16 years of age.

(2) The services must not be available to the member through one of the following:

1. Special education and related services as defined in the Individuals with Disabilities Education Act (20 U.S.C. 1401 et seq.) as amended to July 1, 2026; or

2. A program funded under Section 110 of the Rehabilitation Act of 1973 (29 U.S.C. 730) as amended to July 1, 2026.

(3) Have documented in the waiver service plan a goal to achieve or to sustain individual employment.

(4) Have documented in the waiver service plan that the choice to receive individual supported employment services was offered and explained in a manner sufficient to ensure informed choice, after which the choice to receive small-group supported employment services was made.

(5) Not reside in a medical institution.

p. For prevocational services:

(1) Be at least 16 years of age.

(2) The services must not be available to the member through one of the following:

1. Special education and related services as defined in the Individuals with Disabilities Education Act (20 U.S.C. 1401 et seq.) as amended to July 1, 2026; or

2. A program funded under Section 110 of the Rehabilitation Act of 1973 (29 U.S.C. 730) as amended to July 1, 2026.

(3) Have documented in the waiver service plan a goal to achieve or to sustain individual employment and an expectation that this service will result in community employment.

(4) Have documented in the waiver service plan that the choice to receive individual supported employment services was offered and explained in a manner sufficient to ensure informed choice, after which the choice to receive prevocational services was made.

83.82(2) *Need for services.*

a. The applicant will have a service plan approved by the department that is developed by the Medicaid case manager for this waiver. This must be completed before services provision and annually thereafter. The case manager will establish the interdisciplinary team for the applicant and, with the team, identify the applicant's need for service based on the applicant's needs and desires as well as the availability and appropriateness of services using the following criteria:

(1) The assessment shall be based, in part, on information provided to the department.

(2) Service plans must be developed to reflect use of all appropriate nonwaiver Medicaid state plan services so as not to replace or duplicate those services.

(3) Service plans for applicants aged 16 or under that include supported community living services beyond intermittent must be approved (signed and dated) by the designee of the department. The Medicaid case manager must request in writing more than intermittent supported community living with a summary of services and service costs, and submit a written justification with the service plan. The rationale must contain sufficient information for the department's designee to make a decision regarding the need for supported community living beyond intermittent.

b. Interim medical monitoring and treatment services must be needed because all usual caregivers are unavailable to provide care due to one of the following circumstances:

(1) Employment. Interim medical monitoring and treatment services are to be received only during hours of employment.

(2) Academic or vocational training. Interim medical monitoring and treatment services provided while a usual caregiver participates in postsecondary education or vocational training will be limited to 24 periods of no more than 30 days each per caregiver as documented by the service worker. Time spent in high school completion, adult basic education, GED, or English as a second language does not count toward the limit.

(3) Absence from the home due to hospitalization, treatment for physical or mental illness, or death of the usual caregiver. Interim medical monitoring and treatment services under this subparagraph are limited to a maximum of 30 days.

(4) Search for employment.

1. Care during job search shall be limited to only those hours the usual caregiver is actually looking for employment, including travel time.

2. Interim medical monitoring and treatment services may be provided under this paragraph only during the execution of one job search plan of up to 30 working days in a 12-month period, approved by the department service worker or targeted case manager pursuant to 441—subparagraph 170.2(2)*"b"*(5).

3. Documentation of job search contacts shall be furnished to the department service worker or targeted case manager.

c. The member shall access, if a child, all other services for which the person is eligible and that are appropriate to meet the person's needs as a precondition of eligibility for the HCBS BI waiver.

83.82(3) *Securing a state payment slot.*

a. The department field office will enter all waiver applications into the institutional and waiver authorization and narrative system (IoWANS) to determine whether a payment slot is available for all new applicants for the HCBS BI waiver program.

(1) For applicants not currently receiving Medicaid, the department field office will make the entry by the end of the fifth working day after receipt of a completed services application or within five working days after receipt of disability determination, whichever is later.

(2) For current Medicaid members, the department field office will make the entry by the end of the fifth working day after receipt of a written request signed and dated by the waiver applicant.

b. If no payment slot is available, the department will enter the applicant on a waiting list according to the following:

(1) Applicants not currently eligible for Medicaid will be entered on the waiting list on the basis of the date a completed health services application is received by the department or upon receipt of disability determination, whichever is later. Applicants currently eligible for Medicaid will be added to the waiting list on the basis of the date the applicant requests HCBS BI program services.

(2) In the event that more than one application is received at one time, applicants will be entered on the waiting list on the basis of the month of birth, January being month one and the lowest number.

c. Persons who do not fall within the available slots will have their applications rejected but their names will be maintained on the waiting list. As slots become available, persons will be selected from the waiting list to maintain the number of approved persons on the program based on their order on the waiting list.

d. Applicants who currently reside in a community-based neurobehavioral rehabilitation residential setting, an ICF/ID, a skilled nursing facility, or an ICF and have resided in that setting for four or more months may request a reserved capacity slot through the brain injury waiver.

(1) Applicants will be allocated a reserved capacity slot on the basis of the date the request is received by the income maintenance worker or the waiver slot manager.

(2) In the event that more than one request for a reserved capacity slot is received at one time, applicants will be allocated the next available reserved capacity slot on the basis of the month of birth, January being month one and the lowest number.

(3) Persons who do not fall within the available reserved capacity slots will have their names maintained on the reserved capacity slot waiting list. As reserved capacity slots become available at the beginning of the next waiver year, persons will be selected from the reserved capacity slot waiting list to utilize the number of approved reserved capacity slots based on their order on the waiting list.

e. The department will reserve a set number of funding slots each waiver year for emergency need for all applicants who are on the waiting list maintained by the state. Applicants may request an emergency need reserved capacity slot by submitting the completed home- and community-based services (HCBS) brain injury waiver emergency need assessment to the department.

(1) Emergency need criteria are as follows:

1. The usual caregiver has died or is incapable of providing care, and no other caregivers are available to provide needed supports.

2. The applicant has lost primary residence or will be losing housing within 30 days and has no other housing options available.

3. The applicant is living in a homeless shelter, and no alternative housing options are available.

4. There is founded abuse or neglect by a caregiver or others living within the home of the applicant, and the applicant must move from the home.

5. The applicant cannot meet basic health and safety needs without immediate supports.

(2) Urgent need criteria are as follows:

1. The caregiver will need support within 60 days in order for the applicant to remain living in the current situation.

2. The caregiver will be unable to continue to provide care within the next 60 days.

3. The caregiver is 55 years of age or older and has a chronic or long-term physical or psychological condition that limits the ability to provide care.

4. The applicant is living in temporary housing and plans to move within 31 to 120 days.

5. The applicant is losing permanent housing and plans to move within 31 to 120 days.

6. The caregiver will be unable to be employed if services are not available.

7. There is a potential risk of abuse or neglect by a caregiver or others within the home of the applicant.

8. The applicant has behaviors that put the applicant at risk.

9. The applicant has behaviors that put others at risk.

10. The applicant is at risk of facility placement when needs could be met through community-based services.

(3) Applicants who meet an emergency need criterion will be placed on the emergency reserved capacity priority waiting list based on the total number of criteria in subparagraph 83.82(3)*"e"*(1) that are met. If applicants meet an equal number of criteria, the position on the waiting list will be based on the date of application and the age of the applicant. The applicant who has been on the waiting list longer will be placed higher on the waiting list. If the application date is the same, the older applicant will be placed higher on the waiting list.

(4) Applicants who meet an urgent need criterion will be placed on the priority waiting list after applicants who meet emergency need criteria. The position on the waiting list will be based on the total number of criteria in subparagraph 83.82(3)*"e"*(2) that are met. If applicants meet an equal number of criteria, the position on the waiting list will be based on the date of application and the age of the applicant. The applicant who has been on the waiting list longer will be placed higher on the waiting list. If the application date is the same, the older applicant will be placed higher on the waiting list.

(5) Applicants who do not meet emergency or urgent need criteria will remain on the waiting list, based on the date of application. If the application date is the same, the older applicant will be placed higher on the waiting list.

(6) Applicants will remain on the waiting list until a payment slot has been assigned to them for use, they withdraw from the list, or they become ineligible for the waiver. If there is a change in an applicant's need, the applicant may contact the department and request that a new emergency needs assessment be completed. The outcome of the assessment will determine placement on the waiting list as directed in this subrule.

f. To maintain the approved number of members in the program, persons shall be selected from the waiting list as payment slots become available, based on their priority order on the waiting list.

(1) Once a payment slot is assigned, the department will give written notice to the person within five working days.

(2) The department will hold the payment slot for 30 days for the person to file a new application. If an application has not been filed within 30 days, the slot will revert for use by the next person on the waiting list, if applicable. The person originally assigned the slot must reapply for a new slot.
