

7—2506.106(17A) Federal funds.

2506.106(1) Rules 7—2506.101(17A) through 7—2506.105(17A) do not apply where they conflict with a governing federal regulation or would jeopardize the receipt of federal funds.

2506.106(2) If the attorney general determines that any portion of rules 7—2506.101(17A) through 7—2506.105(17A) would cause the federal government to deny funds or services that would otherwise be available to an agency of this state, that portion will be suspended for that agency but only to the extent necessary to prevent denial of the federal funds or services.
