

**193F—1.20 (543D) Application and work product deadlines.**

**1.20(1)** *December 31, 2014, application deadline.* In order to be considered for registration as an associate appraiser or certification as a certified appraiser under the criteria in effect prior to January 1, 2015, an applicant must submit an original, fully completed application to the board office for the board's actual receipt no later than December 31, 2014, at 4:30 p.m.

**1.20(2)** *Deadline for associate appraiser applicants.* The associate appraiser and supervisory appraiser provisions are more fully set out in 193F—Chapters 4 and 15, respectively. Before submitting an application for registration with the board, a person seeking registration as an associate appraiser must complete 75 hours of appraisal education and secure a qualified supervisory appraiser. An associate appraiser applicant who submits an application to the board office after December 31, 2014, at 4:30 p.m. shall be subject to the January 1, 2015, criteria and will accordingly be subject to the five-year restriction on qualifying education and the supervisory appraiser/associate coursework.

**1.20(3)** *Summary of certification requirements before January 1, 2015.* As more fully set out in 193F—Chapters 3, 5, and 6, a person who is in the process of completing the education, experience, and examination required for certification as a certified appraiser may not submit an application for certification to the board until all prerequisites have been satisfactorily completed. The prerequisites include the following: qualifying college and core criteria appraiser education, qualifying examination, 2,500 hours of qualifying experience in a minimum of 24 months for residential appraisers or 3,000 hours of qualifying experience in a minimum of 30 months for general appraisers, and work product review. Work product review requires numerous steps, as provided in 193F—5.6(543D) and 193F—6.6(543D). The work product review process includes the applicant's submission of a work product experience log to the board; the board's selection of three appraisals to review; communication of the selected appraisals to the applicant; the applicant's submission of the three appraisals and associated work files to the board in electronic and paper formats; review of the appraisals and work files by a reviewer retained by the board; the reviewer's submission of review reports to the board; a meeting between the applicant and the board's work product review committee; a formal board vote at a board meeting; and communication of approval, denial, or deferral to the applicant. All of these steps must be completed before an applicant with approved work product can submit an application for certification to the board office.

**1.20(4)** *October 1, 2014, deadline for submission of appraisals and work files.*

*a.* As a result of the minimum periods of time needed to accomplish all work product review steps summarized in 1.20(3), an applicant for certification as a certified appraiser must fully submit to the board office the three appraisals and associated work files for work product review, as provided in 193F—5.6(543D) and 193F—6.6(543D), no later than October 1, 2014.

*b.* To allow sufficient time for board selection of three appraisals from the work product review experience log, board communication of the selected appraisals to the applicant, and applicant submission of the appraisals and work files to the board office by October 1, 2014, applicants for residential certification should submit their work product experience log to the board by September 1, 2014, and applicants for general certification should submit their work product experience log to the board by August 1, 2014.

*c.* Applicants for certification as residential or general certified appraisers who submit appraisals and work files for work product review on or after October 2, 2014, shall be considered for certification under the January 1, 2015, criteria. If an applicant submitting appraisals and work files for work product review on or after October 2, 2014, has previously passed the required examination, the examination results will remain valid for the 24-month period of validity, as described in 193F—Chapter 3.
