

441—85.20(249A) State-funded personal needs supplement. A Medicaid member living in an intermediate care facility for persons with mental illness who has countable income for purposes of rule 441—75.16(249A) of less than \$50 per month will receive a state-funded payment from the department for the difference between that countable income and \$50 if the legislature has appropriated funding specifically for this purpose. This payment shall not be considered a benefit under Title XIX of the Social Security Act (as amended to August 1, 2024).

This rule is intended to implement Iowa Code section 249A.30A.
