17.15(1) General. A school district may provide courses developed by private providers and delivered primarily over the Internet to pupils who are participating in open enrollment under Iowa Code section 282.18. However, if a student's participation in open enrollment to receive educational instruction and course content delivered primarily over the Internet results in the termination of enrollment in the receiving district, the receiving district shall, within 30 days of the termination, notify the district of residence of the termination and the date of the termination.

17.15(2) Participation in activities in resident district. A pupil participating in open enrollment for purposes of receiving educational instruction and course content primarily over the Internet in accordance with Iowa Code section 256.7(32) may participate in any cocurricular or extracurricular activities offered to children in the pupil's grade or group and sponsored by the district of residence under the same conditions and requirements as the pupils enrolled in the district of residence. The pupil may participate in not more than two cocurricular or extracurricular activities during a school year unless the resident district approves the student's participation in additional activities. The student shall comply with the eligibility, conduct, and other requirements relating to the activity that are established by the district of residence for any student who applies to participate or who is participating in the activity.
