75.13(1) FMAP-related Medicaid eligibility. Medicaid eligibility for persons who are under the age of 21, pregnant women, or specified relatives of dependent children who are not blind or disabled shall be determined using the income criteria in effect for the family medical assistance program (FMAP) as provided in subrule 75.1(14) unless otherwise specified. Income shall be considered prospectively.

75.13(2) SSI-related Medicaid. Except as otherwise provided in 441—Chapters 75 and 76, persons who are 65 years of age or older, blind, or disabled are eligible for Medicaid only if eligible for the Supplemental Security Income (SSI) program administered by the United States Social Security Administration.

For purposes of determining eligibility for SSI-related Medicaid, the SSI conditional eligibility process, by which a client may receive SSI benefits while attempting to sell excess resources, found at 20 CFR 416.1240 to 416.1245, is not considered an eligibility methodology.

e. Valuation of life estates and remainder interests. In the absence of other evidence, the value of a life estate or remainder interest in property shall be determined using the following table by multiplying the fair market value of the entire underlying property (including all life estates and all remainder interests) by the life estate or remainder interest decimal corresponding to the age of the life estate holder or other person whose life controls the life estate.

If a Medicaid applicant or recipient disputes the value determined using the following table, the applicant or recipient may submit other evidence and the value of the life estate or remainder interest shall be determined based on the preponderance of all the evidence submitted to or obtained by the department, including the value given by the following table.
