e. The development operates through an association or other entity, actively managed and maintained, through which all lot owners have irrevocable rights and obligations with respect to the development and its common areas.

f. The development and the businesses within the development present themselves to the public as a common development through signage or other marketing efforts.

g. The common areas of the development have necessary and true value to the regular operations of the businesses within the development, and were created for purposes other than establishing eligibility for development directory signing.
