

199—37.5(477C) Complaints. All complaints concerning the equipment distribution program will be resolved pursuant to the following:

37.5(1) The program administrator will make determinations concerning matters such as eligibility, type of equipment for particular applicants, or reimbursement of vendors.

a. The administrator, after requiring interested persons to state verbally or in writing any complaint or dispute arising under the equipment distribution program, shall attempt to settle the matter informally within 45 days.

b. Should the informal dispute resolution process fail, the complaint may be submitted to the board by the complainant and will be processed by the project manager as provided for utility customers in 199 IAC 6. The complaint will be directed to the program administrator with a copy to the consumer advocate. The board staff assigned to the equipment distribution program will then issue a proposed resolution as defined in 199 IAC 6.4(476).

c. The proposed resolution shall include a description of the facts involved in the dispute and a clear statement of the proposed resolution.

d. The proposed resolution shall also give notice that any interested person dissatisfied with the proposed resolution has 14 days after the issuance of the proposed resolution to file a written request for formal complaint proceedings before the Iowa Utilities Board, 350 Maple Street, Des Moines, Iowa 50319-0069. If no timely request for formal complaint proceedings is filed, the proposed resolution shall be deemed binding on all interested persons served with the proposed resolution. The request for formal complaint proceedings shall be considered as filed on the date of the United States Postal Service postmark or the date personal service is made.

37.5(2) The request for formal complaint proceedings shall explain why the proposed resolution should be modified or rejected and propose an alternate resolution, including any temporary relief desired. Copies of the request shall be mailed to any other persons served with the proposed resolution.

37.5(3) Upon receipt of a request for formal complaint proceedings, the board shall consider whether formal complaint proceedings should be initiated and issue an order. The request shall be granted if the board determines there is any reasonable ground for investigating the complaint. If the board denies formal complaint proceedings, a party may file a petition for judicial review either in the Polk County district court or in the district court for the county in which the party resides or has its principal place of business.

37.5(4) When a complaint is docketed as a formal proceeding, the procedures set forth in 199—Chapter 7 will apply.
