

875—173.29(90A) Ropes. The ropes shall be a minimum of three in number, extending in a triple line 18 inches, 35 inches and 52 inches from the floor of the ring; at least 1 inch in diameter; and wrapped in soft materials. The ropes may not be closer to the ring posts than 18 inches. If four ropes are used, they will be proportionately spaced.
