

282—20.6(272) Specific renewal requirements for a master educator license.

20.6(1) In addition to the provisions set forth in this rule, an applicant must meet the general requirements set forth under rule 282—20.3(272).

20.6(2) Four units are needed for renewal. For an applicant who also holds a specialist's or doctor's degree, two units are needed for renewal. These units may be earned in any combination listed below:

a. One unit may be earned for each semester hour of graduate credit, completed from a regionally accredited institution, which leads toward the completion of a planned master's, specialist's, or doctor's degree program.

b. One unit may be earned for each semester hour of graduate or undergraduate credit, completed from a regionally accredited institution, which may not lead to a degree but which adds greater depth/breadth to present endorsements held.

c. One unit may be earned for each semester hour of credit, completed from a regionally accredited institution, which may not lead to a degree but which leads to completion of requirements for an endorsement not currently held.

d. One unit may be earned upon completion of each licensure renewal course or activity approved through guidelines established by the board of educational examiners.

e. Four units may be earned upon successful completion of the National Board for Professional Teaching Standards certification. This certification may be used one time for either the standard or master educator license. Four units may also be earned for each National Board for Professional Teaching Standards certification renewal and may be used toward the subsequent renewal of either the standard or master educator license.

f. One unit may be earned upon the successful completion of an individualized professional development plan as verified by the supervising licensed evaluator.
