

**481—1026.1(542) Who may perform attest services.**

**1026.1(1)** Only a CPA may perform audit, review, or other attest services as defined in Iowa Code section 542.3(1).

**1026.1(2)** Only an actively licensed attest-certified Iowa CPA or an out-of-state licensee exercising a practice privilege under Iowa Code section 542.20 may perform attest services in Iowa or for a client with a home office in Iowa. CPAs are cautioned, however, that a government body or a client may obligate that an individual be licensed in Iowa as a condition of performing attest services in Iowa or for a client with a home office in Iowa, whether or not the individual may otherwise satisfy the conditions for a practice privilege. Iowa licensure as a certified public accountant is a precondition, for example, to perform certain audit services described in Iowa Code chapter 11.

**1026.1(3)** CPAs performing attest services, whether the CPAs are certified in Iowa or exercising a practice privilege, may only do so in a CPA firm that holds a permit to practice pursuant to Iowa Code section 542.7 or in an out-of-state CPA firm exercising a practice privilege in compliance with Iowa Code section 542.20(5) and 542.20(6) and associated rules and the peer review and ownership provisions of Iowa Code section 542.7.

**1026.1(4)** CPAs who are responsible for supervising attest services for a CPA firm or who sign or authorize someone to sign the accountant's report on behalf of a CPA firm are obligated to satisfy the experience or competency obligations established by nationally recognized professional standards that are applicable to the attest services performed.
