

721—22.600(47) Revolving loan fund. The purpose of this rule is to establish an e-poll book and polling place modernization panel to review applications submitted to the state commissioner for distribution of moneys from the revolving loan fund created in Iowa Code section 47.11.

22.600(1) Definitions.

“*E-poll book*” is as defined in rule 721—22.1(52).

“*Vendor,*” for purposes of this rule, means a person or representative of a person developing, offering, or supporting an e-poll book.

22.600(2) In order to ensure that the public funds in this rule are used responsibly and efficiently, this rule creates a panel consisting of designees of the state commissioner of elections, the state auditor, and the director of the department of management. Attendance by two of the three members constitutes a quorum. The panel shall conform to the party balance requirements of Iowa Code section 4A.12.

22.600(3) The state commissioner shall convene the panel whenever necessary to review loan applications received from county commissioners requesting moneys from the fund.

22.600(4) The state commissioner may convene the panel to review proposed expenditures for updating technology standards for elections. If the state commissioner determines that there is an urgent need that an expenditure of moneys from the fund be used to update technology standards, the state commissioner may spend the moneys without convening the panel. In such instance, the state commissioner shall report that expenditure at the next meeting of the panel.

22.600(5) The panel shall create guidelines for loaning moneys from the fund to county commissioners for the updating of polling place technology. The guidelines shall be published on the state commissioner’s website. The panel shall not approve funding for the purchase of e-pollbooks that are not certified by the state commissioner pursuant to Iowa Code section 49.29 unless the e-pollbook’s certification has been waived by the state commissioner.

22.600(6) Before distributing or loaning funds, the panel shall consider the published guidelines, but may take additional factors into consideration. The panel shall not waive any information technology security standards. A majority vote of the panel members present is sufficient to approve funding.

22.600(7) Before any funds from the revolving loan fund are provided for the acquisition of e-poll books, the e-poll book system shall conform to the security requirements within this chapter.

This rule is intended to implement Iowa Code section 47.11.
