

**11—132.3(8A) Internet access.** The Internet can be accessed via wireless connection for any user on a personal device who visits the state library. The Internet may be unavailable due to unforeseen problems with hardware, software or telecommunications. Downloading and saving files to the user's own portable device is allowed. Files saved to the computer's drives are erased at the end of each user's session. Devices may be available to visitors for use during the library's normal business hours. Files saved to devices that the library makes available for visitors to use are erased at the end of each user's session.
