

199—16.3(476) Uniform systems of accounts—gas. The uniform systems of accounts for natural gas companies subject to the provisions of the Natural Gas Act, 18 CFR Part 201 published in FERC’s rules and regulations, is adopted with the following modifications:

16.3(1) Definition 7 is changed to read: “Commission” means the commission except where reference is made to the authority of FERC under the Natural Gas Act and where the commission does not have the same or similar authority under Iowa Code chapter 476, where “Commission” means FERC.

16.3(2) Definition 22 is changed to read: “Natural gas company” means a person furnishing gas by piped distribution system to the public for compensation.

16.3(3) General instruction 1-B of the uniform systems of accounts for gas utilities is modified to add the following sentence: “Gas utilities subject to rate regulation by the commission shall keep all the accounts of these systems of accounts that are applicable to their affairs, and gas utilities not subject to rate regulation shall keep the accounts of these systems of accounts for operating revenues only.”

16.3(4) General instruction 1-D of the uniform systems of accounts for gas utilities is modified by adding the following sentence: “It is recommended but not required that gas utilities not subject to rate regulation keep all applicable accounts in accordance with the FERC uniform systems of accounts 18 CFR Part 201.”

16.3(5) General instruction 2-D of the uniform systems of accounts for gas utilities is modified by adding the following sentence: “The gas utilities may use additional accounts as they are required or permitted to keep for their reporting to other regulatory authorities or to their stockholders, providing the commission is notified of the nature, amount, and purpose of such accounts in the annual report to the commission and at such other times as may be requested.”

16.3(6) The definitions for the uniform systems of accounts for gas utilities, when used in account 424, Promotional Practices, are modified to include the following definitions:

“*Affiliate*” means any person doing business in this state who directly or indirectly controls or is controlled by or is under common control with a public utility.

“*Appliance*” or “*equipment*” means any device, including a fixture, that consumes natural gas and any ancillary device required for its operation.

“*Consideration*” means any cash, donation, gift, allowance, rebate, bonds, merchandise (new or used), property (tangible or intangible), labor, service conveyance, commitment, right, or other thing of value.

“*Financing*” includes acquisition of equity or debt interests, loans, guarantee of loans, advances, sale and repurchase agreements, sale and lease-back agreements, sales on open account, conditional or installment sales contracts, or other investment or extensions of credit.

“*Person*” includes any individual, group, firm, partnership, corporation, cooperative, association, or other organization, but does not include state or local political subdivisions or municipal corporations.

“*Promotional practices*” means any consideration offered or granted by a public utility or its affiliate to any person for the purpose, express or implied, of inducing such person to select or use the service or additional service of such utility, or to select or install any appliance or equipment designed to use such utility service, provided that “promotional practices” does not include the following activities:

1. Providing repairs and service to appliances or equipment of customers of a public utility in an emergency or to restore service or to prevent hazardous conditions or service interruptions.
2. Inspection and adjustment of appliances or equipment by a public utility.
3. Repairs and other maintenance to appliances or equipment by a public utility that could be performed by an independent appliance dealer or service shop if charges are at cost or above.
4. Providing service, wiring, piping, appliances, or equipment in accordance with tariffs, rules, or regulations of a public utility on file with and approved by the commission.
5. Providing appliances, equipment, or instructional services to an educational institution for the purpose of instructing students in the use or repair of such appliances or equipment.
6. Providing discounts or financing to employees of a public utility to encourage their use of the utility’s service.
7. Merchandising and related inventory of appliances or equipment for sale at retail and making and fulfilling reasonable warranties against defects in material and workmanship in appliances or equipment existing at the time of delivery; the elimination of hazardous conditions that due to a grandfather provision

would not be corrected by the customer and yet would require correction to protect the public and minimize company liability.

8. The replacement of or alterations to a customer's obsolete or inefficient system.
9. Technical, informational, or educational assistance offered to persons on the use of energy furnished by a public utility or on the use of maintenance of appliances or equipment.
10. Lunches, gifts, door prizes, etc., presented for attendance at informational meetings, conferences, etc., valued at \$10 or less will not be considered to be a promotional practice.
11. Providing appliances or equipment incidental to exhibitions, demonstrations, tests, or experiments of reasonable duration.
12. Any promotional practice, or program that includes a promotional practice, designed to develop or implement programs that promote energy efficiency.

16.3(7) The uniform systems of accounts for gas utilities are modified to include the following:

a. 424 Promotional Practices. This account includes the cost of labor, materials, and expenses or losses incurred by the utility or an affiliate (where such costs are charged back to the company) on promotional practices. Promotional practices, or programs that include promotional practices, and the labor, materials, and expenses related to promotional practices that are exempted by subrule 16.6(2) need not be included in this account. The account includes but is not limited to the following items:

(1) The financing of land or the construction of any building when the same is not owned or otherwise possessed by the utility or its affiliate without commission written approval.

(2) The furnishing of consideration to any person for work done or to be done on property not owned or otherwise possessed by the utility or its affiliate, except for the following: studies to determine comparative capital or operating costs and expenses or to show the desirability and feasibility of selecting one form of energy over another, contributions for research and development of new energy sources, etc.

(3) The acquisition from any person of any tangible or intangible property or service for a consideration in excess of the value thereof or the furnishing to any person of any tangible property or service for a consideration of less than the value thereof. "Value," in this instance, means the fair market price of the property or service under competitive market conditions and under arm's length conditions.

(4) The furnishing of consideration to any person for the sale, installation, or use of appliances or equipment of one form of energy over another. Employees who are paid a commission in lieu of salary for the initial sale of appliances are exempted.

(5) The provision of free, or at less than cost or value, wiring, piping, appliances, or equipment to any person, provided that a utility engaged in an appliance merchandising sales program, will not be precluded from conducting legitimate closeouts of appliances, clearance sales, or sales of damaged or returned appliances. All items required by service rules of this commission are exempted.

(6) The provision of free, or at less than cost or value, installation, operation, repair, modification, or maintenance of appliances, equipment, wiring or piping to any person. This would not include services provided for the convenience and safety of customers such as gas leak testing, lighting of furnaces, etc.

(7) The granting of a trade-in allowance on the purchase of any appliance or equipment in excess of the reasonable value of the trade-in based on the past experience of a company or the granting of a trade-in allowance for such appliance or equipment when such allowance varies by the type of energy consumed in the trade-in.

(8) The financing of the acquisition of any appliance or equipment at a rate of interest or on terms significantly more favorable than those generally applicable to sales by nonutility dealers in such appliances or equipment.

(9) The furnishing of consideration to any person for any advertising or publicity purpose, except where appropriately classified to another account.
