

**481—616.14(152) Clinical facilities.**

**616.14(1)** The clinical facilities shall provide learning experiences that meet curriculum objectives and outcomes.

**616.14(2)** The program provides information to the board about clinical facilities used for learning experiences, including:

*a.* The clinical facility's accredited/approved status and evidence of good standing by its regulatory body.

*b.* Evidence that student experiences are coordinated with programs that use the same facility.
