

481—655.17(147A) Emergency medical care provider. A physician with a license in good standing may be staffed on an authorized emergency medical services (EMS) program provided the physician can document equivalency through education and additional skills training essential in the delivery of out-of-hospital emergency care. The equivalency shall be accepted when documentation has been reviewed and approved at the local level by the medical director of the authorized EMS service program and the department of health and human services bureau of emergency medical and trauma services in accordance with the form adopted by the department of health and human services.
