

**641—156.9(204) Inspection and access to records.** The department may enter a consumable hemp establishment at any reasonable hour to assess compliance with Iowa Code chapter 204 and these rules. The manager or person in charge of the consumable hemp establishment shall afford free access to every part of the premises, including access to records related to consumable hemp products, and shall render all aid and assistance necessary to enable the regulatory authority to make a thorough and complete assessment.
