

261—101.2(15) Responsibilities. The authority's primary responsibilities are to assist start-up and existing companies with commercialization of new technologies; to foster entrepreneurship; and to coordinate the marketing, education, and workforce efforts of the state with respect to innovative businesses, including businesses in the industries of advanced manufacturing, biosciences, and information technology.

101.2(1) Commercialization. Commercialization activities include, but are not limited to, administration of the programs described in this part. Additionally, the authority's commercialization activities include the facilitation of technology transfer at Iowa's state universities to the greatest extent possible. Finally, such activities also include coordinating with the bioscience development corporation established pursuant to Iowa Code section 15.107 to ensure that the goal of public and private sector collaboration is furthered to the greatest extent possible.

101.2(2) Entrepreneurship. Entrepreneurship activities include, but are not limited to, administrating the venture network of Iowa, coordinating the Iowa equity funds, and coordinating with services providers across the state to increase entrepreneurship in Iowa.

101.2(3) Marketing, education, and workforce development. Marketing, education, and workforce development efforts for innovative businesses include, but are not limited to, overseeing the targeted industries internship program.
