

261—104.9(15) Application submittal and review process.

104.9(1) The department shall develop a standardized application and make the application available to eligible businesses. To apply for moneys from the program, a business shall submit an application to the department. Applications must be submitted to the Iowa Department of Economic Development, Innovation and Commercialization Division, 200 East Grand Avenue, Des Moines, Iowa 50309. Required forms and instructions are available at this address or at the department's Web site at www.iowalifechanging.com.

104.9(2) The application will be reviewed by department staff, the committee and the board. The committee will make a recommendation to the board regarding an application. The board has final decision-making authority on requests for financial assistance for this program. The board may approve, defer or deny an application.
