

191—70.4(505,514F) Standards. For the purpose of certification and compliance under rule 70.3(505,514F), the most recently available utilization review standards adopted by URAC shall be used.

A copy of the standards and application for accreditation may be obtained from the Utilization Review Accreditation Commission, 1227 25th Street N.W., Suite 610, Washington, D.C. 20037. A copy of the standards shall be readily available and maintained on the premises of any third-party payor conducting utilization review.
