

261—65.11 (15) Redevelopment tax credit.

65.11(1) Purpose. The purpose of the redevelopment tax credit program is to make tax credits available for a redevelopment project investment. The department may cooperate with the department of natural resources and local governments in an effort to disseminate information regarding the redevelopment tax credit.

65.11(2) Eligible applicant. An individual, partnership, limited liability company, S corporation, estate, or trust electing to have income taxed directly to the individual may claim a redevelopment tax credit. Once an applicant is deemed eligible, the applicant shall be considered a qualifying investor for a redevelopment tax credit. A city or county may not apply for a redevelopment tax credit.

65.11(3) Tax credit certificate.

a. Issuance. The department shall issue a redevelopment tax credit certificate upon completion of the project and submittal of proof of completion by the qualified investor. The tax credit certificate shall contain the qualified investor's name, address, tax identification number, the amount of the credit, the name of the qualifying investor, any other information required by the department of revenue, and a place for the name and tax identification number of a transferee and the amount of the tax credit being transferred.

b. Acceptance. The tax credit certificate, unless rescinded by the board, shall be accepted by the Iowa department of revenue as payment for taxes imposed pursuant to Iowa Code chapter 422, divisions II, III, and V, and to Iowa Code chapter 432, and for the moneys and credits tax imposed in Iowa Code section 533.329, subject to any conditions or restrictions placed by the board upon the face of the tax credit certificate and subject to the limitations of this rule, for a portion of a taxpayer's equity investment in a qualifying redevelopment project.

c. Transfer. Tax credit certificates issued under this rule may be transferred to any person or entity. Within 90 days of transfer, the transferee shall submit the transferred tax credit certificate to the Iowa department of revenue, including a statement with the transferee's name, tax identification number, address, the denomination that each replacement tax credit certificate is to carry, and any other information required by the Iowa department of revenue.

d. Replacement certificate. Within 30 days of receiving the transferred tax credit certificate and the transferee's statement, the Iowa department of revenue shall issue one or more replacement tax credit certificates to the transferee. Each replacement tax credit certificate must contain the information required for the original tax credit certificate and must have the same expiration date that appeared in the transferred tax credit certificate.

e. Claiming a transferred tax credit. A tax credit shall not be claimed by a transferee until a replacement tax credit certificate identifying the transferee as the proper holder has been issued. The transferee may use the amount of the tax credit transferred against the taxes imposed in Iowa Code chapter 422, divisions II, III, and V, and in Iowa Code chapter 432, and against the moneys and credits tax imposed in Iowa Code section 533.329, for any tax year the original transferor could have claimed the tax credit. Any consideration paid or received for the transfer of the tax credit shall not be included or deducted as income under Iowa Code chapter 422, divisions II, III, and V, under Iowa Code chapter 432, or against the moneys and credits tax imposed in Iowa Code section 533.329.

65.11(4) Amount of tax credit.

a. Pro rata share. The qualified investor may claim the amount based upon the pro rata share of the qualified investor's earnings from the partnership, limited liability company, S corporation, estate, or trust. Any tax credit in excess of the qualified investor's liability for the tax year is not refundable but may be credited to the tax liability for the following five years or until depleted, whichever is earlier. A tax credit shall not be carried back to a tax year prior to the tax year in which the qualified investor receives the tax credit.

b. Percentage. The amount of the tax credit shall equal one of the following:

(1) Twelve percent of the taxpayer's qualifying investment in a grayfield site.

(2) Fifteen percent of the taxpayer's qualifying investment in a grayfield site if the qualifying redevelopment project meets the requirements of green development as defined in 261—65.2(15).

- (3) Twenty-four percent of the taxpayer's qualifying investment in a brownfield site.
- (4) Thirty percent of the taxpayer's qualifying investment in a brownfield site if the qualifying redevelopment project meets the requirements of green development as defined in 261—65.2(15).

c. Maximum credit per project. The maximum amount of a tax credit for a qualifying investment in any one qualifying redevelopment project shall not exceed 10 percent of the maximum amount of tax credits available in any one fiscal year pursuant to paragraph 65.11(4)“d.”

d. Maximum credit total. For the fiscal year beginning July 1, 2009, the maximum amount of tax credits issued by the department shall not exceed \$1 million. The department shall not issue tax credits pursuant to this rule in subsequent fiscal years unless authorized pursuant to this subrule.

65.11(5) Claiming a tax credit. The qualified investor must attach one or more tax credit certificate(s) to the qualified investor's tax return. A tax credit certificate shall not be used or attached to a return filed for a taxable year beginning prior to July 1, 2009. The tax credit certificate or certificates attached to the qualified investor's tax return shall be issued in the qualified investor's name, expire on or after the last day of the taxable year for which the qualified investor is claiming the tax credit, and show a tax credit amount equal to or greater than the tax credit claimed on the qualified investor's tax return.

65.11(6) Reduction of tax credit.

a. Taxes imposed under Iowa Code section 422.11V, less the credits allowed under Iowa Code sections 422.12, 422.33, 422.60, 432.12L, and moneys and credits imposed under Iowa Code section 533.329 shall be reduced by a redevelopment tax credit allowed under Iowa Code sections 15.291 to 15.294.

b. For purposes of individual and corporate income taxes and the franchise tax, the increase in the basis of the redeveloped property that would otherwise result from the qualified redevelopment costs shall be reduced by the amount of the credit computed under this rule.

65.11(7) Project completion.

a. An investment shall be deemed to have been made on the date the qualifying redevelopment project is completed. An investment made prior to January 1, 2009, or after June 30, 2010, shall not qualify for a tax credit under this rule.

b. A qualifying redevelopment project not completed within 30 months after board approval shall not be eligible for a tax credit pursuant to this rule. The board has the discretion to allow an additional 12-month extension period to complete a project.

c. Failure to comply. If a taxpayer receives a tax credit pursuant to Iowa Code section 15.293A but fails to comply with any of the requirements, the taxpayer loses any right to the tax credit. The Iowa department of revenue shall seek recovery of the value of the credit the qualified investor received.

65.11(8) Tax credit carryover. If the maximum amount of tax credits available has not been issued at the end of the fiscal year, the remaining tax credit amount may be carried over to a subsequent fiscal year or the department may prorate the remaining credit amount among other eligible applicants.

65.11(9) Department registration and authorization. The department shall develop a system for registration and authorization of tax credits. The department shall control distribution of all tax credits distributed to investors, including developing and maintaining a list of tax credit applicants from year to year to ensure that if the maximum aggregate amount of tax credits is reached in one year, an applicant can be given priority consideration for a tax credit in an ensuing year.

65.11(10) Other financial assistance considerations. If a qualified investor has also applied to the department, the board, or any other agency of state government for additional financial assistance, the department, the board, or the agency of state government shall not consider the receipt of a tax credit issued pursuant to this rule when considering the application for additional financial assistance.
