

261—65.5(15) Repayment to IDED. Upon the subsequent sale of the property by an applicant to a person other than the original owner, the applicant shall repay the department for financial assistance received by the applicant. The repayment shall be in an amount equal to the sales price less the amount paid to the original owner pursuant to the agreement between the applicant and the original owner. The repayment amount shall not exceed the amount of financial assistance received by the applicant.
