

481—780.4(148C) Physician supervision not required. A physician associate is not required to be supervised by a physician when:

780.4(1) The physician associate is licensed in the state of Iowa or eligible to become licensed in the state of Iowa; and

780.4(2) The physician associate has previously practiced under a supervising physician or in collaboration with an Iowa-licensed physician or other licensed health care professional for a period of at least two years; or

780.4(3) The physician associate is not practicing in an independent practice arrangement as defined in Iowa Code section 148C.1(5).
