

261—40.8(83GA,SF2389) Signs. Each project shall recognize in a prominent location and manner the fact that the project was made possible, in part, through a grant from the Iowa jobs program. During the construction period, the recognition (including a display of the Iowa jobs logo) may be located on temporary signage. The completed project shall feature a permanent acknowledgment, such as a plaque or similar commemoration. Other benefactors of the project may be similarly acknowledged as well. The department may provide funding to the grantees for these signs using funds appropriated to the department through 2010 Iowa Acts, Senate File 2389, sections 10 and 68.
