d. Record checks. The licensed child-placing agency shall submit record checks for each applicant and for anyone who is 14 years of age or older living in the home of the applicant to determine whether they have any founded child abuse reports or criminal convictions or have been placed on the sex offender registry. The licensed child-placing agency shall use Form 470-0643, Request for Child Abuse Information, and Form 595-1396, DHS Criminal History Record Check, Form B, for this purpose.

If there is a record of founded child abuse or a criminal conviction for the applicant, or anyone living in the home of the applicant, the licensed child-placing agency shall not approve the applicant as an adoptive family, unless an evaluation determines that the abuse or criminal conviction does not warrant prohibition of approval.

EXCEPTION: The person making the investigation shall not approve a prospective applicant and the department shall not perform an evaluation if the applicant or anyone living in the home of the applicant has been convicted of a felony offense as set forth in Iowa Code section 600.8(2) "b." The person making the investigation shall not approve a prospective applicant and shall not perform an evaluation if the applicant or anyone living in the home of the applicant has committed a crime in another state that would

be a forcible felony if the crime would have been committed in Iowa, as set forth in Iowa Code section 600.8(2) "b."

The evaluation shall consider the nature and seriousness of the abuse or crime, the time elapsed since the commission of the founded abuse or crime, the circumstances under which the abuse or crime was committed, the degree of rehabilitation, the likelihood that the person will commit the abuse or crime again, and the number of abuses or crimes committed by the person. The person with the criminal conviction or founded child abuse report shall complete and return Form 470-2310, Record Check Evaluation, within ten calendar days of the date on the form to be used to assist in the evaluation. Failure of the person to complete and return Form 470-2310 within the specified time frame shall result in denial of approval for adoption.

(1) If the applicant, or anyone living in the home of the applicant, has been convicted of a simple misdemeanor or a serious misdemeanor that occurred five or more years prior to application, the evaluation and decision may be made by the licensed child-placing agency. The licensed child-placing agency shall notify the applicant of the results of the evaluation.

(2) If the applicant, or anyone living in the home of the applicant, has a founded child abuse report, has been convicted of an aggravated misdemeanor or felony at any time, or has been convicted of a simple or serious misdemeanor that occurred within five years prior to application, the licensed child-placing agency shall initially conduct the evaluation.

1. If the licensed child-placing agency determines that the abuse or crime does warrant prohibition of approval, the licensed child-placing agency shall notify the applicant of the results of the evaluation.

2. If the child-placing agency believes that the applicant should be approved despite the abuse or criminal conviction, the agency shall provide copies of Form 470-2310, Record Check Evaluation, and Form 470-2386, Record Check Decision, to the Department of Human Services, Administrator, Division of Behavioral, Developmental, and Protective Services, 1305 East Walnut Street, Des Moines, Iowa 50319-0114. Within 30 days, the administrator shall determine whether the abuse or crime merits prohibition of approval and shall notify the child-placing agency in writing of that decision.

The licensed child-placing agency shall also notify the family in writing no later than 30 days after completion of the home study of the agency's decision regarding approval for placement of a child. If the family is denied, the agency shall state the reasons for denial. The agency worker and supervisor shall date and sign the adoptive home study. The agency shall provide a copy of the home study to the family. An agency shall not place a child in an adoptive home before the family is approved, or before a placement agreement is signed by the family and the agency.

e. A home study update is required if the adoptive home study was written more than one year previously, in accordance with Iowa Code section 600.8. The preplacement assessment update shall be conducted by completing the following:

(1) The child abuse and criminal record checks shall be repeated and any abuses or convictions of crimes since the last record check shall be evaluated using the same process.

(2) A minimum of one home visit shall be conducted with the approved adoptive family.

(3) The information in the approved adoptive home study shall be reassessed.

(4) A written report of the assessment and updated adoptive home study shall be completed, dated, signed by the worker and the supervisor, and provided to the adoptive family.

c. Postplacement services include postplacement supervision, support, crisis intervention, and required reports to the court. The postplacement services are provided from the time the child is placed with an approved adoptive family until finalization of the adoption occurs.

A minimum of three face-to-face postplacement visits are required, or if the family is experiencing problems, as many as are necessary to support the placement. At least two of the visits shall be in the adoptive home. At a minimum the first visit shall be completed within 30 days after placement; the second visit within 90 days after placement; and the final visit before granting consent to adopt.

Observations made during the home visits shall be recorded in the family's adoption file and used by the agency in making written recommendations to the court regarding finalization of the adoption.

Postplacement supervision should focus on the following:

- (1) Integration and interaction of the child with the family.
- (2) Changes in the family functioning which may be due to the placement.
- (3) Social, emotional adjustment of the child and school adjustment of a child who is attending a school.
- (4) Child's growth and development since placement with the adoptive family.
- (5) Changes that have occurred in the family since the placement.
- (6) Family's method of dealing with testing behaviors and discipline.
- (7) Behavioral evidence of the degree of bonding that is taking place and the degree to which the child is becoming a permanent member of the adoptive family.

d. Postadoption services. The agency shall provide postadoption services to adoptive parents and adoptees, or shall refer adoptive parents and adoptees to other community resources for the services.

108.9(6) *Placement of siblings.* Preference shall be given to placing children from the same family together. If this is not possible, or is not in the best interest of the children, the reasons shall be documented in the record. Efforts shall be made to provide continued contact between siblings after finalized adoptions if the siblings are not placed together.

108.9(7) *Racial and cultural background.* Race, color, or national origin may not be routinely considered in placement selections. Placement decisions shall be made consistent with the best interests and special needs of the child.

i. In the event a family is not approved for placement of a child, the narrative shall clearly indicate the reason.

j. In the event a family is approved, but no child is placed with them, the narrative shall clearly indicate the reason.

108.9(10) *Right to appeal.* An adoptive applicant or an adoptive family may appeal an adverse decision made by a licensed agency. The appeal shall be filed with the department within 30 days of the notice of decision to the applicant or family by the licensed agency.
